	Score Points											

**Score** is the number of marks gained in the round

**Points** are the number of points awarded because of the teams position in that round.

If two teams have the same top mark each get 10 points etc. The next team(s) will get 6.

**Position**    **Points**

- 1            10
- 2            8
- 3            6
- 4            5
- 5            4
- 6            3
